Starfire Voting Booth with Corrugated Plastic Side Panels - ADA

Product number: SFCPS-ADA Product number with light: SFCPS-L-ADA

The Starfire is our newest and most advanced voting booth. Its cutting-edge design combines rugged durability with a sleek and modern appearance that is self-contained and lightweight. Extremely easy to assemble, disassemble and is maintenance free. Specifically designed to accommodate a 21-inch optical scan ballot, it provides the largest writing surface available in any voting booth. Stackable design requires minimal storage space.
